

Memorandum

Date: March 20, 2007

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

From: George M. Burgess
County Manager

Substitute
Agenda Item No. 8(O)(1)(A)

Subject: Resolution Authorizing the Rejection of All Bids Received for Bid No. 1178-2/09:
Uniforms and Accessories for Miami-Dade Transit, Waiver of the Bid Protest
Procedures and to Re-advertise

This item has been amended to include language in the resolution regarding the authorization to waive bid protest procedures.

Recommendation

It is recommended that the Board of County Commissioners reject all bids received for the referenced contract to purchase uniforms and accessories for Miami-Dade Transit and other County departments, waive the bid protest procedures and re-advertise a solicitation for uniforms and accessories.

Scope

The impact of the recommended bid rejection is countywide in nature.

Fiscal Impact/Funding Source

There is no fiscal impact associated with the recommended bid rejection.

Track Record/Monitor

Not applicable as award is not recommended at this time.

Background

This solicitation was advertised on April 18, 2006. Three proposals were received from:

- Monica Manufacturing d/b/a All Uniform Wear (certified SBE)
- Global Trading, Inc., (certified SBE)
- Superior Uniform Group, Inc., the incumbent firm

Proposals were opened on May 10, 2006. Subsequent to the bid opening, samples were requested by the evaluation committee which included transit union representatives and MDT procurement staff.

Global Trading, Inc., the apparent low bidder after the application of the Small Business Enterprise 10 percent bid preference, was deemed non-responsive because it offered prices for garment sizes which were outside of the terms and conditions of this solicitation. Monica Manufacturing d/b/a All Uniform Wear, the apparent second low bidder after the application of the Small Business Enterprise 10 percent bid preference was deemed non-responsive because the samples presented as "or equal" for Items #25-Sweater, #28-Baseball Style Caps and #29-Adjust-O-Cap were determined not to be equal, and the firm failed to submit the requested samples for Items #26-Bus Operators Caps, #27-Supervisors Caps, and #47-Cap Straps. On October 6, 2006 the County Manager's recommendation to award to Superior Uniform Group, Inc. (Superior) was posted with the Clerk of the Board.

On October 18, 2006, Department of Procurement Management (DPM) staff met with representatives of Monica Manufacturing d/b/a All Uniform Wear to review the procurement process. On October 20, 2006, a bid protest was filed by this firm, which was based on five arguments:

- Martin & Superior are the same company which manufacture and distribute their own products. Therefore products numbers or samples can not be obtained.
- \$20,000 below awarded bid when bid was opened.
- Preference for SBE (Small Business Enterprises)
- Fabric from Mills was discounted and was not updated in several bid specs. Should have been notified by Martins-Superior.
- Every other item was approved.

A pre-protest briefing was held with Monica Manufacturing d/b/a All Uniform Wear and DPM staff on November 2, 2006. A Hearing Examiner heard the protest on November 14, 2006 and findings were received on December 7, 2006. The Hearing Examiner's findings upheld the County Manager's recommendation to award to Superior Uniform Group, Inc., and included a recommendation that the bid protest filed by Monica Manufacturing d/b/a All Uniform Wear be denied.

Although the Hearing Examiner found that Monica Manufacturing d/b/a All Uniform Wear failed to submit the samples pursuant to the specifications and therefore did not respond completely to the bid, staff continued to reassess the sample requirements. As a result of this assessment, it has been determined that it is not in the best interest of the County to award this solicitation. The requirements for the request and submittal of samples will be revised to enhance competition among all qualified firms.

Staff is reviewing modifications to these requirements and will forward a revised solicitation for the County Manager's approval. Therefore it is recommended that all bids be rejected and the solicitation be re-advertised with revised sample requirements. Staff will also develop a comprehensive policy for the request and acceptance of samples in general that will simplify this process and enhance competition.
